

# Kindermusik® BIRTHDAY PARTIES

Looking for an interactive, totally FUN birthday experience for children and adults? Instrument exploration, instrument ensembles, creative movement, singing, story time, circle dances and hand chants are all among the many wonderful activities that I will lead at your child's party. I even have a FREE GIFT for the birthday child!!

## Attendance and Recommended Ages

- I recommend having no more than 10 children in attendance at the party.
- A Kindermusik Birthday Party is best suited for children between the ages of 6 months – 6 years and adults.

## Adult Participation

- For children ages 6 months – 3 yrs., there must be one actively participating adult with each child.
- For children over the age of 3 years, adult participation is encouraged, but optional. I do ask that at least one adult be present and available for every 5 children in attendance.

## Where will Kindermusik fit into your party plans?

- Plan to start your party with Kindermusik. Food, toys and gifts should come after I leave.

## Party Location

- Location can be AT my studio but only for the hour of musical fun, I do not have room for food, cake, drink and present opening. I can also come to YOU! You find the place to hold the party anywhere suitable to accommodate a group of children and their parents having FUN! If you are planning on using an area in your home, please move the furniture around to help create a large open space and remove all toys from that area. I will bring all necessary items for the activities.

## Scheduling your Party

- Parties are scheduled on demand! Just let me know when you would like me to be there. I need at least 2 weeks notice.

## **PARTY PACKAGE**

Come sing, play, move, enjoy story time and MUCH MORE!!! The fun just doesn't stop! Does your child have favorite Kindermusik activities? Or favorite themes such as animals, cars, zoos or baking? Let me know – I will incorporate some of your child's favorites for their special day!
