

## KINDERMUSIK WITH KIM SCHOLARSHIP

Because we believe *Kindermusik* gives every child the best possible start in life, we have committed to providing a limited number of scholarships to make this opportunity available to as many children as possible.

Scholarships are intended to help families who want to make the benefits of *Kindermusik* a priority for their child(ren), but who are unable to participate due to extenuating circumstances. Scholarships will be awarded at the sole discretion of *Kindermusik With Kim*.

Approved families will need to pay for the cost of home materials at a minimum. These range from \$50-70 for fall or winter/spring sessions, depending on which class is to be taken. Scholarships may cover all or part of the remaining tuition. An extended payment plan may be set up, if needed.

To apply for a scholarship, please [EMAIL KIM](#) answering the following questions:

1. What amount of assistance are you looking for?
2. Tell me about yourself and your family and why a scholarship would benefit you.
3. Describe any extenuating circumstances or other information to be considered.

Scholarship emails will be accepted at any time, but applications which are submitted at least 2 weeks prior to a session beginning will receive the most consideration for our limited scholarship funds.
