

Kindermusik Scholarship

In Memory of Jude Holland

Christine and her son Jude came to my Kindermusik classes over the span of three years, and in that time, I saw both mom and son grow and grow up together.

They danced and sang and rocked; Jude laughed and walked, and Christine laughed and held Jude by the hands as he toddled, and they loved each other. Then Jude talked and laughed and ran, and Christine talked to Jude and laughed with him and caught him as he ran by her, and they loved each other. Jude grew to be very independent and had his own opinions and made his own stories to tell, and Christine let him be independent and held him when he needed to be held and listened to the stories he told, and they loved each other. When they rocked together, sometimes Jude would ask to see his dad, and Christine would tell him dad was at work and they'd see him later that day, and Jude would nod his head and keep rocking with his mom.

Jude and his dad Jim died in a car accident in November 2009, and there is no way to replace them in Christine's life and in the lives of their extended family and friends. I would like to honor their memories in a small way; by helping a family each semester take a Kindermusik class at Kim's studio.

If you would like to be considered to receive one of these scholarships, please email Kim at: kim@kindermusikwithkim.com **Tell Kim a little about your family and how you think this scholarship would make a difference for you.** Kim will personally respond to all families and will inform the scholarship recipient at least 2 weeks before the beginning of the semester.
